* Ratings refer to the claims-paying ability of the insurance company and do not reflect the performance or safety of any investment product. The rating agencies listed are independent of each other and use proprietary evaluation criteria and rating scales.

** The Comdex Ranking is a composite of the financial strength ratings as determined by Standard & Poor's, Moody's, AM Best, and Fitch ratings. It ranks insurers on a scale of 1 to 100 (where 1 is the lowest) in an effort to reduce confusion over ratings because each rating agency uses a different scale.

† The minimum participation rate is 4% for the S&P 500 index option and 10% for all other index options. The guaranteed minimum interest rate for the Fixed Interest Option is 3.00%.
