Products are single premium deferred fixed indexed annuities underwritten by Americo Financial Life and Annuity Insurance Company (Americo), Kansas City, MO, and may vary in accordance with state laws. Products are designed and exclusively marketed by Legacy Marketing Group®, an independent, authorized agency of Americo. Some products and benefits may not be available in all states. Certain restrictions and variations apply. Consult contract and riders for all limitations and exclusions. LibertyMark Freedom is a registered service mark, and Heritage Maximizer is a service mark, of Legacy Marketing Group.

The "S&P 500®" and "S&P 500 IQ 0.5% Decrement Index" ("S&P 500 IQ Index" or the "Index") are products of S&P Dow Jones Indices LLC or its affiliates ("SPDJI") and have been licensed for use by Americo Financial Life and Annuity Insurance Company. \* Subject to state availability. Certain restrictions may apply. Check current State Approval Matrix.

\*\* Also known as the S&P 500 IQ 0.5% Decrement Index.

† Withdrawals may be subject to ordinary income tax, and a 10% IRS penalty may apply to withdrawals taken before age 59½.

†† Also known as the SG Lead Asset Select Exposure Rotation Index.

The SG Columbia Adaptive Risk Allocation Index and the SG Lead Asset Select Exposure Rotation Index (each, an "SG Index") are the exclusive property of SG Americas Securities, LLC (SG Americas Securities, LLC, together with its affiliates, "SG"). SG has contracted with Solactive AG ("Solactive") to maintain and calculate the SG Columbia Adaptive Risk Allocation Index and has contracted with S&P Opco, LLC (a subsidiary of S&P Dow Jones Indices LLC) ("S&P") to maintain and calculate the SG Lead Asset Select Exposure Rotation Index. "SG Americas Securities, LLC", "SGAS", "Société Générale", "SG", "Société Générale Indices", "SGI", "SG Columbia Adaptive Risk Allocation Index", and "SG Lead Asset Select Exposure Rotation Index" (collectively, the "SG Marks") are trademarks or service marks of SG. SG has licensed use of the indices and the SG Marks to Americo Financial Life and Annuity Insurance Company ("Americo") for use in fixed indexed annuities. For the SG Columbia Adaptive Risk Allocation Index, SG has licensed use of certain marks from Columbia Management Investment Advisers, LLC or its affiliates (collectively, "Columbia Management") and sub-licensed use to Americo. Neither SG, Solactive AG, Columbia Management, S&P, nor any other third-party licensor has been authorized to act as an agent of Americo or has in any way sponsored, endorsed, sold, promoted, structured or priced any fixed indexed annuity or provided investment advice to Americo. Such parties make no representation regarding the advisability of purchasing, selling, or holding product linked to an SG Index, including Fixed Indexed Annuity, and shall not be liable for any related loss or payment thereof. Obligations to make payments under the fixed indexed annuities are solely the obligation of Americo. Neither Americo nor SG are obligated to invest annuity payments in the components of an SG Index. The Index levels are net of a 0.50% annual maintenance fee, calculated and deducted daily. Each SG Index also deducts fees to cover rebalancing, replication, and other costs. The total amount of these fees is unpredictable and depends on a number of factors. These fees and costs, which are increased by each SG Index's leverage, will reduce the potential positive change in such SG Index and increase the potential negative change in such SG Index. While the volatility control applied by each SG Index may result in less fluctuation in rates of return as compared to indices without volatility controls, it may also reduce the overall rate of return as compared to products not subject to volatility controls. Columbia Threadneedle Investments is the global brand name of the Columbia and Threadneedle group of companies. † Also known as the SG Lead Asset Select Exposure Rotation Index.

‡ Also known as the SG Columbia Adaptive Risk Allocation Index Point-to-Point (Without Cap) With Amount on Gain.

§ Withdrawals may be subject to ordinary income tax, and a 10% IRS penalty may apply to withdrawals taken before age 59½.

§§ Also known as the Morgan Stanley Target Equity Balanced Index.

The SG Columbia Adaptive Risk Allocation Index and the SG Lead Asset Select Exposure Rotation Index (each, an "SG Index") are the exclusive property of SG Americas Securities, LLC (SG Americas Securities, LLC, together with its affiliates, "SG"). SG has contracted with Solactive AG ("Solactive") to maintain and calculate the SG Columbia Adaptive Risk Allocation Index and has contracted with S&P Opco, LLC (a subsidiary of S&P Dow Jones Indices LLC) ("S&P") to maintain and calculate the SG Lead Asset Select Exposure Rotation Index. "SG Americas Securities, LLC," "SGAS," "Société Générale," "SG," "Société Générale Indices," "SGI," "SG Columbia Adaptive Risk Allocation Index," and "SG Lead Asset Select Exposure Rotation Index" (collectively, the "SG Marks") are trademarks or service marks of SG. SG has licensed use of the indices and the SG Marks to Americo Financial Life and Annuity Insurance Company ("Americo") for use in fixed indexed annuities. For the SG Columbia Adaptive Risk Allocation Index, SG has licensed use of certain marks from Columbia Management Investment Advisers, LLC or its affiliates (collectively, "Columbia Management") and sub-licensed use to Americo. Neither SG, Solactive AG, Columbia Management, S&P, nor any other third-party licensor has been authorized to act as an agent of Americo or has in any way sponsored, endorsed, sold, promoted, structured or priced any fixed indexed annuity or provided investment advice to Americo. Such parties make no representation regarding the advisability of purchasing, selling, or holding product linked to an SG Index, including Fixed Indexed Annuity, and shall not be liable for any related loss or payment thereof. Obligations to make payments under the fixed indexed annuities are solely the obligation of Americo. Neither Americo nor SG are obligated to invest annuity payments in the components of an SG Index. The Index levels are net of a 0.50% annual maintenance fee, calculated and deducted daily. Each SG Index also deducts fees to cover rebalancing, replication, and other costs. The total amount of these fees is unpredictable and depends on a number of factors. These fees and costs, which are increased by each SG Index's leverage, will reduce the potential positive change in such SG Index and increase the potential negative change in such SG Index. While the volatility control applied by each SG Index may result in less fluctuation in rates of return as compared to indices without volatility controls, it may also reduce the overall rate of return as compared to products not subject to volatility controls. Columbia Threadneedle Investments is the global brand name of the Columbia and Threadneedle group of companies. This product is not sponsored, endorsed, sold or promoted by Morgan Stanley or any of its affiliates. Neither Morgan Stanley nor any other party (including, without limitation, any calculation agents or data providers) makes any representation or warranty, express or implied, regarding the advisability of purchasing this product. The Target Equity Balanced Index (the "Index") is the exclusive property of Morgan Stanley. Morgan Stanley and the Index are service marks of Morgan Stanley and have been licensed for use for certain purposes by Americo Financial Life and Annuity Insurance Company. Morgan Stanley will not have any obligation or liability to owners of this product in connection with the administration or marketing of this product, and neither Morgan Stanley nor any other party guarantees the accuracy and/or the completeness of the Index or any data included therein. Morgan Stanley and its affiliates may engage in transactions involving components of the Index for their proprietary accounts and/or for accounts of their clients, which may affect the value of such components and the level of the Index.

\* Ratings refer to the claims-paying ability of the insurance company and do not reflect the performance or safety of any investment product. The rating agencies listed are independent of each other and use proprietary evaluation criteria and rating scales.

\*\* The Comdex Ranking is a composite of the financial strength ratings as determined by Standard & Poor's, Moody's, AM Best, and Fitch ratings. It ranks insurers on a scale of 1 to 100 (where 1 is the lowest) in an effort to reduce confusion over ratings because each rating agency uses a different scale.

† The minimum participation rate is 4% for the S&P 500 index option and 10% for all other index options. The guaranteed minimum interest rate for the Fixed Interest Option is 3.00%.
